## Java Developer

📞 7559201990 📩 mayukhmayuresh86@gmail.com 💬 linkedin.com/in/mayuresh-ghodke-72704027b 🌐 Pune

## SUMMARY

MCA graduate and enthusiastic Java Developer with hands-on experience in building web applications using Java, Spring Boot, Hibernate, and MySQL. Skilled in backend development, RESTful Web API creation, and secure authentication using Spring Security. Familiar with payment gateway integration (Razorpay) and strong in database management. Successfully completed a certification in Spring Boot. Eager to contribute to a dynamic development team and grow as a full-stack developer in a challenging and learning-focused environment.

## SKILLS

Core Java	Advanced Java	Hibernate	Spring Security	SpringBoot	Spring Data JPA	MySQL
Restful Web API	JavaScript	Thymeleaf	AJAX	jQuery	HTML	CSS

## PROJECTS

### SportNest

⌚ 04/2024 - Present

<https://github.com/mayuresh-ghodke/SportNest.git>

- Developed an e-commerce application using Java, Spring Boot, supporting multiple user roles such as Admin, Customer, and Delivery Person.
- Worked on role-based access control using Spring security for secure user authentication and authorization for 100% of user actions.
- Implemented Razorpay payment gateway interface for online payment processing.
- Integrated an email sending API to automate order confirmation and other updates, reducing manual effort by 80%.
- Implemented OTP-based verification using Twilio for secure password reset and delivery confirmation, enhancing application security.
- Technologies used: Core Java, Springboot, Spring Security, Spring Data JPA, MySQL, Thymeleaf, HTML, CSS, AJAX, JavaScript.

### LaptopShoppy

⌚ 01/2023 - 04/2023

<https://github.com/mayuresh-ghodke/e-commerce-laptopshoppy.git>

- Created a web application using JSP and Servlet, enabling inventory management, product browsing, product purchasing, and payment processing.
- Designed a user-friendly user interface to enhance customer experience and usability.
- Implemented payment gateway interface for online payment processing.
- Technologies used: Core Java, JSP, Servlet, HTML, CSS, MySQL, Bootstrap, JavaScript.

## EDUCATION

### Master of Computer Application

#### Sinhgad Institute of Management

⌚ 11/2022 - 06/2024 🌐 Vadgaon Bk, Pune

### B.Sc. Computer Science

#### B.P.H.E. Society's Ahmednagar College

⌚ 08/2019 - 09/2022 🌐 Ahmednagar

## CERTIFICATION

### Certification in Completion of Spring 6 & Springboot 3

[Udemy Certificate of Completion of Spring 6 & Springboot 3](#)
